## Free this afternoon?

### Pickleball is here!

Come learn how to play this active court sport that is easier than tennis or racquetball on your joints and perfect for active seniors.

John Barbera is bringing extra paddles and balls along with his instructional skills.

This is sure to be a fun way to get back outside.

Wear comfortable exercise clothes and tennis-like sneakers.

Every Wednesday at 2:15pm.

RSVP directly to John your first time: [jbcommunication@gmail.com](mailto:jbcommunication@gmail.com)

Where are the pickleball courts? Near the basketball courts at Coloma and Olima Streets.

## ST. PATRICK'S DAY 2021

WHO WAS ST. PATRICK? WHY DO WE CELEBRATE ST. PATRICK'S DAY?

## Meeting the Multigenerational Moment

The United States began the 20th century as one of the most age-integrated societies in the world and ended it as one of the most age-segregated. This restructuring has left the country ill-prepared for a world with more Americans living longer lives and more generations living at the same time. It has also yielded a range of social problems, including wasted human resources,

## PHOTOGRAPHER DUO CREATES FUN CONCEPTUAL PHOTOS WITH SUPER- SIMPLE PROPS

We shared with you [some photos](#) by [Daniel Rueda](#) and [Anna Devis](#) before. The Spanish photographer duo is fun, playful, and creative, and so is their work. While they often combine architecture with portrait photography, this series is a tiny bit different. Using nothing but some simple props, Anna and Daniel create conceptual photos to make you look twice and put a smile on your face.

We first shared Anna's and Daniel's work [in 2017](#) (boy, does the time fly). Even though both of them are architects, they are also passionate about illustration and photography. As a matter of fact, Anna has a master's degree in Design and Illustration, and Daniel works as an architecture photographer. Today, they

When the pandemic began, the duo shared their course [Creative Photography for Social Media](#) for free. In this course, I learned a bit about their thought process and how they get from an idea to the final result. I was amazed to see that they mainly use simple things to set the scene, often nothing but cardboard or paper!
