[San Francisco may be first major US city to hit herd immunity, experts say](#)

City still recording small number of Covid cases per day but they don't appear to be triggering wider outbreaks

This video documentary was written, filmed, and produced by 4 Tam High students as their final project for their AIM (Academy of Integrated Humanities and New Media) program. They worked for nearly 3 months to get their arms around a very big subject as well as to reach out to the community, film interviews, and gather archival data.

[PBS: Asian Americans](#)

Asian Americans is a five-hour film series that delivers a bold, fresh perspective on a history that matters today, more than ever. As America becomes more diverse, and more divided while facing unimaginable challenges, how do we move forward together? Told through intimate personal stories, the series will cast a new lens on U.S. history and the ongoing role that Asian Americans have played.

THE 27 MOST BEAUTIFUL WATERFALLS IN THE WORLD

Waterfalls are a phenomenon of nature, when water flows almost vertically into a plunge pool. The most beautiful waterfalls in the world are known for their stunning locations and impressive volume of water discharge

~ As incredible as it sounds, men and women took baths only twice a year in May and October. Women kept their hair covered, while men shaved their heads, because of lice and bugs, and wore wigs. Wealthy men could afford good wigs made from wool. They couldn't wash the wigs, so to clean them they
