June 2020... Books for dad's, what we're doing and what we're reading!

Re-Opening Friday June 12th!

New Hours of Operation 10am – 5pm

We hope you are well and we welcome you back. Marin County is allowing "non-essential" retail stores that have been slammed shut for 3 months to resume interior operations at 50% capacity, which is more clearly defined as there must be SIX FEET of social distancing for everyone in the store. Since Target and other big-box stores have been selling many of the goods the small stores also offer this entire time (a gross inequity in my mind) we are happy to see even this partial allowance for opening again. But be prepared!

With music & lyrics by Gary Barlow & Eliot Kennedy, Broadway's 2015 *Finding Neverland* was adapted from Allan Knee's 1998 play *The Man Who Was Peter Pan* and its 2004 film version *Finding Neverland*. "A timeless story," about J.M. Barrie and the writing of *Peter Pan*, the show conveys "the power of imagination... and spectacular proof that you never really have to grow up." Listen to John Legend singing "**My Imagination.**"

[The Quirkiest Cities in the U.S.](#)

Whether you call it wacky, quirky or just plain weird, you can always tell when a city marches to the rhythm of its own drum.

being different. And hey, who can blame them? It's fun to go somewhere so refreshingly outside of the box. If you're looking to try something new, look no further than these quirky U.S. cities.

[WE NEED YOUR HELP!](#)

Dear Friends of Family Caregiver Alliance, Bay Area Caregiver Resource Center,

We need everyone's help to continue to advocate for the support of family caregivers served by FCA and the CA system of Caregiver Resource Centers. Last week the Senate and Assembly reached a budget deal that rejects the cuts to key senior and disability programs such as the Caregiver Resource Centers, Adult Day Health Care centers, Multipurpose Senior Services Program, and Independent Living Programs. The budget still needs to be negotiated with the Governor and passed with his signature by June 15. Your calls and emails are needed more than ever! Please continue your advocacy to protect seniors, people with disabilities, and their family caregivers by emailing and calling the Governor this week. Thank You for Your Support!

Three Ways You Can Advocate Now!

1. Call Governor Newsom by phone at (916) 445-2841.
