Closer Than Ever is "a bookless book musical, filled to the brim with the brilliance for which these musical theatre giants are known." The hit is "a nonstop exploration of everyday struggles in the 'modern world,' filled with songs of topics ranging from unrequited adoration ...to aging ...to [elevator] muzak, which are tackled with resounding sincerity and precisely placed hilarity. Each song is a unique story told by a new character, taking audiences, not only into the songbook of Maltby & Shire, but into the minds of the individuals facing these completely relatable challenges." One of the show's many beautiful songs is perfect for today's theme. Listen to original cast members **Brent Barrett & Richard Muenz** sing, "**Fathers of Fathers**."
