[8 U.S. River Trips You Should Know About](#)

The rivers of America have long been a source of life and center of civilization, where wildlife flourished and Native Americans explored. Coursing throughout the nation, these winding waterways are a means of expedition and irrigation. Over the centuries, they've also provided a setting for aquatic play. Push off from the shores of America and paddle through tranquil eddies or dive into

[Top 10: Safe adventures for 2021](#)

As we prepare to begin traveling again, we've been working closely with our 36 regional offices and more than 2,500 associates and Trip Leaders worldwide to determine which O.A.T. adventures we'll be able to operate most safely. These 10 adventures visit destinations where we feel confident about the management of COVID-19. We believe that low case counts, combined explorations off-the-beaten-path and the [health and safety measures](#) we've put in place for all Small Group Adventures, will create the safest possible experience for our travelers.
