### [International jazz vocalist offers first-ever virtual Music, Movement & Memory program for those staying-at-home](#)

As an advocate for the human's adventurous and creative spirit through interactive expression and communication, and in response to the global COVID-19 virus' impact on the elder community she serves, international touring jazz vocalist Shannon Wallace has created a virtual and interactive live streaming and on-demand Music, Movement & Memory workshop program, the first of its kind, aimed at serving the senior population, as well as those of all ages living with all stages of dementia and cognitive impairment, along with their care partners
