What are your experiences with shopping for other items either online or in person? Share your tips on what has worked and what hasn't for you. What you'll need: assorted paper, colored pencils or pens, glue stick, scissors, camera (optional), and printer (optional)

Trace the shape of the object you sketched onto other papers and cut them out. Build your collage, reinforcing existing lines and shapes on patterned paper while adding your "overhead shapes." Feel free to experiment by putting together scraps from your cutouts to start a new idea.
