[The best history podcasts: 11 shows that tell you forgotten stories](#)

Sure, we're all *living* history right now — the catastrophic pandemic, mass protests, [creeping global fascism](#) — but that doesn't mean we should stop learning about *other* moments of history.

Podcasts are especially effective at telling historical stories. The medium allows people to listen to archival audio and offers practically unlimited time and space — a pod can be as long as you like and you can do as many episodes as needed — which makes for some super-immersive experiences. [Podcasts](#) do a wonderful job of uncovering lost stories, or telling familiar stories from an angle that's gone overlooked. And they make passing the time in a pandemic just a little bit easier.
